Subject: Question on Updated Timeline on CNPCP Tasks

Hi Gene,

Thanks for updating the schedule, Gene.

I do have one question. Under "Provide additional detail on the prescriptive TMDL process (Item 3)" you stated "A Draft TMDL Implementation Plan Internal Management Directive is Being Prepared to Meet this Item." I thought that you completed the draft IMD and planned to develop a white paper/approach document as well. Are you planning to incorporate the approach document into the IMD? I realize you discussed this topic at the Nov 22 meeting but I never heard about the meeting outcomes. Did the outcomes relate to this item?

Hope the meeting goes well.

Cheers,

Jayne
